I 3th Annual conference

KDA CON 2018

'NEW MAKES US GROW'

Quarterly Scientific Meet – IADVL (Maharashtra)

DATE: 19TH & 20TH MAY 2018

VENUE : HOTEL SAYAJI, KOLHAPUR

Greetings,

"Our ancestors invented, we can atleast innovate."

Most of us will agree that we have conferences one too many and many are repetitive.

Dermatology is rapidly developing branch in all its aspects including newly developed diagnostic methods to dermatotherapeutics like innovative procedures, lasers and drugs. These innovations can also extend to our conferences.

Hence, this year KDA (Kolhapur Dermatologist's Association) in association with IADVL Maharashtra state, presents to you a QSM based on theme "Innovations in Dermato-therapeutics". Although this topic has a vast scope, we have shortlisted only new drugs, lasers, procedures and innovative use of existing drugs, procedures and lasers in dermatology.

Finally,

Be open to new thoughts, to new people, to new principles, to new desires, to new experiences

Team, Kolhapur
