## **WELCOME MESSAGE**

Dear Colleagues,

Maharashtra chapter of IADV L is happy to welcome you to the Annual Practicing Dermatologist CME cum Family Picnic-2019 to be held at Mahabaleshwar. Mahabaleshwar is well known for its magnificent scenic points, perennial springs, streams & waterfalls. All the year-round superb climate & the mouth-watering strawberry desserts makes it more special. Mahabaleshwar will be at its peak during the tourist friendly season in the month of October which is a great time to get out of the hustle in cities and interact with nature.

Indeed, it is an exciting & happy moment for organising team to host this CME and Family Picnic. The CME is designed in a unique way to benefit the academic horizon and increase family bonding among the members. We have planned two scientific sessions along with a mix of cultural events with local lavani dance and orchestra performance. There are two banquet nights planned. When the doctors are in the scientific sessions, we have planned other activities for spouses and children with cookery show, Zumba class, 2-minute games, magic show. With the hotel located at a stone throw distance from the market passing time will not be difficult for the spouses.

The CME cum picnic is planned at the renowned Hotel Dreamland which is centrally located and is available to delegates at a discounted rate which includes all meals, high tea, two banquet gala nights and other entertainments.

We wish to welcome you to not only sharpen your clinical acumen but also to take a break from busy city life and enjoy peace and tranquillity in Mahabaleshwar. Looking forward to having a gala time with you all.
