WELCOME LETTER

Dear Seniors and Colleagues,

Greetings from IADVL Maharashtra EC 2024-25!

At the outset, I would like to sincerely thank all our members for their unwavering support during the challenging times of the past two years. Your solidarity has been our strength, and we are immensely grateful.

This year, we are committed to compensating for the lost time by offering an academic year filled with enriching scientific and social activities. Additionally, we aim to adopt an inclusive approach to streamline the administrative processes within the association, ensuring efficiency and accessibility for all.

With great pleasure, I invite you to **CUTICON MAHARASHTRA 2024**, which will take place at the **JW Marriott, Sahar, Mumbai, from 22nd to 24th November 2024**.

This year's theme, "**Bridging Evidence with Experience**," reflects our shared mission to connect the latest research with clinical expertise for the benefit of all. Furthermore, the pre-conference CME, scheduled for Friday, 22nd November, will focus on "**Evolving Trends: Optimizing Outcomes**," emphasizing advancements in Clinical Dermatology alongside parallel workshops in Aesthetic Dermatology.

This CUTICON is especially significant for every member of IADVL Maharashtra, as it represents our collective desire to restore our association to its former glory. We invite you to participate in large numbers and make this event a grand success, as we owe it to our seniors and teachers who have given us such a remarkable platform to extend our reach across the country and beyond.

Wishing you all a joyful festive season ahead, and let's carry this same energy and enthusiasm into **CUTICON 2024**, the annual academic festival of **IADVL Maharashtra**.

Best regards,
